

MK LASH FAN

Address: 7 Penfold Place, Albanvale, Victoria 3021, Melbourne, Australia.

E-mail: info@mklashfan.com.au

MATERIAL SAFETY DATA SHEET

1. Identification of the substance/mixture

-Product Name: Premium Gel Pads

-Supplier: MK LASH FAN

-Address: 7 Penfold Place, Albanvale, Victoria 3021, Melbourne, Australia.

-Emergency Phone Number: 0404 283 949

-E-mail address: info@mklashfan.com.au

2. Hazards Identification

Emergency summary: This product is non-flammable. Normal use does not cause significant harm.

Hazard classification according to GHS: No data.

Label elements: Pictogram: No data.

Signal word: No data.

Hazard statement: No data.

Precautionary Statements: Prevention: P102 Keep out of reach of children.

P260 Avoid breathing dust/fume/gas/mist/vapors/spray.

Response: P305+P351+P338 If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing.

P337+P313 If eye irritation persists get medical advice/attention.

P370+P378 In case of fire: Use agents recommended in section 5 for extinction.

Storage: P410 Protect from sunlight.

Disposal: P501 Dispose of contents and container as instructed in

Hazard description: Physical and chemical hazards: There are no obvious physical and chemical hazards at normal situation.

Hazard warning for health: If eye contact: Normal use does not cause significant harm, and entering into eyes may cause eye irritation. If skin contact: Normal use does not cause significant harm, and allergenic components may cause skin irritation. If swallowed: Normal use does not cause significant harm, and swallowing may result in oral cavity, esophagus, stomach, digestive tract irritation. If inhaled: Normal use does not cause significant harm, and inhalation of this product may stimulate the nasal mucosa and respiratory tract.

Environmental hazards: No data.

Hazard category: No obvious harm.

3. Composition/information on ingredients

Component	CAS No.	% Weight
-----------	---------	----------

Hydrogel	25852-47-5	80
Glycerol	56-81-5	15
Aloe extracr	/	3
Vitamin C	50-81-7	2

4. First Aid Measures

Eyes contact: Separate the eyelids. Rinse thoroughly with plenty of water for at least 15 minutes and consult a physician if feeling uncomfortable.

Skin contact: Normal use does not cause significant harm. If feel uncomfortable, wash off with soap and plenty of water and consult a physician.

Ingestion: Rinse mouth thoroughly and seek medical attention. Do not induce vomiting. Never give anything by mouth to an unconscious person.

Inhalation: Move victim into fresh air. Loosen clothing as necessary and position individual in a comfortable position. Maintain an unobstructed airway. If breathing is difficult, give oxygen.

Protecting of first-aiders: Avoid contact with eyes. Avoid inhalation of vapor or mist. Use personal protective equipment including respirator.

5. Fire-Fighting measures

Fire hazard: This product is non-flammable.

Extinguishing media: Water spray, dry powder, foam and carbon dioxide.

Advice for firefighters: As in any fire, wear self-contained breathing apparatus and self-contained breathing apparatus. Fight fire upwind. Prevent fire extinguishing water from contaminating surface water or the ground water system.

6. Accidental Release Measures

Normal storage would not cause leakage. Prevent further leakage or spillage if safe to do so. Cut off the leakage source as much as possible and clean the contaminated area with detergent and water. Pay attention to not slip. Operation should be in accordance with relevant industrial hygiene regulations.

7. Handling and Storage

Precaution for handling: According to the instructions correctly.. Keep the package and container intact during transferring. Do not eat, drink, smoke or use personal products when handling the product.

Conditions for safe storage: Store in a cool, airy warehouse. Stay away from incompatible conditions, like fire, heat source, oxidizing agents and strong acids.

8. Exposure Control/Personal Protection

Maximum allowable concentration: No particular provision.

Engineering control: Emergency eye wash fountains and safety showers should be close to the workstation location.

Personal protection equipment: Respiratory protection: Wearing protective mask if necessary.

Eye protection: Wear safety goggles if necessary. Skin and body protection: No relative provision.

Hygienic measure: Avoid contact with eyes. Wash hands before smoking, eating and drinking. Remove soiled cloth and wash cloth before reuse.

9. Physical and Chemical Properties

Physical state: Solid

Color: White, blue, pink, etc.

Odor: Odorless

Boiling point: /

10. Stability and Reactivity

Stability: Stable at normal temperature.

Possibility of reaction under special conditions: No data.

Incompatible materials: Extreme heat, open flames, etc.

Hazardous decomposition products: Under normal conditions of storage and use, hazardous decomposition products would not be produced. Irritating gases may be produced at elevated temperature.

11. Toxicological Information

Acute toxicity: No data

Skin irritation/corrosion: No data.

Eye irritation/corrosion: Direct contact with eyes may cause irritation.

Respiratory/skin sensitization: No data.

Germ cell mutagenicity: No data.

Carcinogenicity: No data.

Reproductive toxicity: No data.

STOT-single exposure: No data.

STOT-repeated exposure: No data.

Aspiration hazard: May be uncomfortable if swallowed and enters airways.

12. Eco-toxicity Information

Persistence and degradability: No information available.

Bioaccumulative potential: No information available.

Mobility in soil: No information available.

Ecological toxicology toxicity: The product has no obvious adverse hazardous effect on plants, animals or microorganisms. Do not release this product into the environment.

13. Disposal Considerations

Disposal methods of product: Do not dispose the product by discharging into the sewer.

Disposal methods of contaminated packaging: Return to supplier for recycling or dispose in accordance with national and local regulations.

Disposal consideration: According to the relevant national and local laws and regulation. Refer to 8th chapter for personal protection equipment.

14. Transport Information

UN number: N/A.

UN proper shipping name: Not restricted goods.

Transport hazard class(es): N/A.

Packing group: N/A.

Packing method: N/A.

Label: N/A.

Marine pollution (Yes/No): N/A.

Precautions for transport: Transportation vehicles should be equipped with the appropriate variety and quantity of fire-fighting equipment and leakage emergency treatment equipment. It is strictly forbidden to mix and transport with alkali, food, etc. During transportation, it should be protected from fire resource and high temperature. The packaging should be complete and the loading should be secure.

15. Regulatory Information

Domestic legislation: The following laws, regulations and standards have made corresponding provisions on the safe use, storage, transportation, loading and unloading of some chemical components in this product:

Catalog of Hazardous Chemicals (2015 Edition): Not listed; Catalog of Hazardous Chemicals for Priority Management (First and Second Batches): Not listed.

Dangerous Chemicals Directory Used to Manufacture Exploder (2017 Edition): Not listed.

International legislation: Please comply with the regulations of national/local laws.

16. Other Information

Effective date: Nov. 2nd, 2021
